ACCOUNT DISCLOSURES

Except as specifically described, the following disclosures apply to all of the accounts. All accounts described in this Truth-In-Savings Disclosure are share accounts.

1. RATE INFORMATION. The Annual Percentage Yield is a percentage rate that reflects the total amount of dividends to be paid on an account based on the dividend rate and frequency of compounding for an annual period. For Prime Shares, Secondary Secured Shares, Money Market, Financial Health Club, Premium Payroll, Individual Retirement, Roth IRA, Education IRA, Visa Secured Shares, Basic Checking, and Universal Checking accounts, the Dividend Rate and Annual Percentage Yield may change quarterly as determined by the Credit Union's Board of Directors. For Holiday Club accounts, the Dividend Rate and Annual Percentage Yield may change annually as determined by the Credit Union's Board of Directors. The dividend rates and annual percentage yields are the prospective rates and yields that the Credit Union anticipates paying for the applicable dividend period. The Prime Shares, Secondary Secured Shares, Individual Retirement and Roth IRA accounts are tiered rate accounts. The balance ranges and corresponding dividend rates and annual percentage yields applicable to each tier are disclosed in the Rate Schedule. For tiered accounts, once a particular range is met, the dividend rate and annual percentage yield for that balance range will apply to the full balance of your account.

2. NATURE OF DIVIDENDS. Dividends are paid from current income and available earnings after required transfers to reserves at the end of the dividend period.

3. DIVIDEND COMPOUNDING AND CREDITING. The compounding and crediting of dividends and dividend period applicable to each account are set forth in the Rate Schedule. The Dividend Period is the period of time at the end of which an account earns dividend credit. The Dividend Period begins on the first calendar day of the period and ends on the last calendar day of the period.

4. ACCRUAL OF DIVIDENDS. For all accounts, dividends will begin to accrue on noncash deposits (e.g. checks) on the business day you make the deposit to your account. If you close your account before accrued dividends are credited, accrued dividends will not be paid. However, for Holiday Club and Financial Health Club accounts, any accrued dividends will be paid if you

close the account within seven (7) days of the date you open it.

5. BALANCE INFORMATION. To open any account, you must deposit or already have on deposit the minimum required share(s) in any account. Some accounts may have additional minimum opening deposit requirements. The minimum balance requirements applicable to each account are set forth in the Rate Schedule. For Money Market, and Visa Share Secured accounts, there is a minimum average daily balance required to avoid a service fee for the dividend period. If the minimum average daily balance requirement is not met, you will be charged a service fee as stated in the Fee Schedule. For E-Checking, Basic Checking and Universal Checking accounts, if you do not utilize direct deposit, you will be charged a maintenance fee as disclosed in the Fee Schedule for each withdrawal. For Prime Shares, Money Market, Holiday Club, Financial Health Club, Premium Payroll, Individual Retirement, Roth IRA, Visa Secured Shares, Basic Checking, and Universal Checking accounts, there is a minimum average daily balance required to obtain the Annual Percentage Yield for the dividend period. If the minimum average daily balance is not met, you will not earn the stated Annual Percentage Yield. For accounts using an Average Daily Balance method, dividends are calculated by applying a periodic rate to the average daily balance in the account for the period. The average daily balance is determined by adding the full amount of principal in the account for each day of the period and dividing that figure by the number of days in the period.

6. ACCOUNT LIMITATIONS. For Prime Shares accounts, you may make no more than six (6) transfers and withdrawals from your account to another account of yours or to a third party in any month by means of a preauthorized, automatic or internet transfer, by telephonic order or instruction, or by check, draft, debit card or similar order. In addition, you may make no more than six (6) in person withdrawals from your Prime Shares account, at a branch location during a calendar. If you exceed either of these limitations, your account may be subject to a fee or be closed. For Money Market accounts, you may make no more than three (3) transfers and withdrawals from your account to another account of yours or to a third party in any month by means of a preauthorized, automatic or internet transfer, by telephonic order or instruction, or by check, draft, debit card or similar order. If you exceed these limitations, your account may be subject to a fee or be

closed. For Holiday Club accounts, the entire balance will be paid to you by check or transferred to another account of yours on or after November 1 and the account will remain open. If you withdraw from your account before the end of the club period, you will be charged a fee equal to six (6) months' dividends on the amount withdrawn. No fee if withdrawal occurs between October 31 and December 31. However, no fee will be charged if the withdrawal occurs within seven (7) days of the date the account is opened. For Financial Health Club accounts, the entire balance will be available for withdrawal at the end of the club period as established by you at account opening and your account will remain open. You may not make withdrawals from your account at any other time. If you wish to access the funds in your Financial Health Club account, you may close it. If you close your account, you will be charged a fee based on the length of the club period for your account. For club periods of 12 months, the fee will be equal to 90 days' dividends on the amount withdrawn; if the club period is longer than 12 months, the fee will be equal to 180 days' dividends on the amount withdrawn. However, no fee will be charged if the withdrawal occurs within seven (7) days of the date the account is opened. For Premium Payroll accounts, the entire balance will be available for withdrawals during the months of June, July, August, and September and your account will remain open. You may not make withdrawals from your account at any other time. If you wish to access the funds in your Premium Payroll account at any other time, you will be charged a fee as disclosed in the Fee Schedule. For Secondary Secured Shares, Holiday Club, Financial Health Club, Individual Retirement, Roth IRA accounts and Educational IRA, you may not make any transfers or withdrawals to another credit union or account of yours or to a third party by means of a preauthorized or automatic transfer, telephone order or instruction or similar order to a third party. For Visa Share Secured accounts, no withdrawals are allowed unless the funds are used to pay off, and close your secured credit card. For Educational IRA, E-Checking, Basic Checking and Universal Checking accounts, no account limitations apply.

7. FEES FOR OVERDRAWING ACCOUNTS. Fees for overdrawing your account may be imposed on each check, draft, item, ATM transaction and one-time debit card transaction (if member has consented to overdraft protection plan for ATM and one-time debit card transactions), preauthorized automatic debit, telephone initiated withdrawal or any other electronic withdrawal or

transfer transaction that is drawn on an insufficient available account balance. The entire balance in your account may not be available for withdrawal, transfer or paying a check, draft or item. You may consult the Funds Availability Policy Disclosure for information regarding the availability of funds in your account. Fees for overdrawing your account may be imposed for each overdraft, regardless of whether we pay or return the draft, item or transaction. If we have approved an overdraft protection limit for your account, such fees may reduce your approved limit. Please refer to the Fee Schedule for current fee information.

For ATM and one-time debit card transactions, you must consent to the Credit Union's overdraft protection plan in order for the transaction amount to be covered under the plan. Without your consent, the Credit Union may not authorize and pay an overdraft resulting from these types of transactions. Services and fees for overdrafts are shown in the document the credit union uses to capture the member's opt-in choice for overdraft protection and the Schedule of Fees and Charges.

8. MEMBERSHIP. As a condition of membership, you must purchase and maintain the minimum required share(s) as set forth below and pay a nonrefundable membership fee.
